STATE SUPREME COURT UPHOLDS JUDGE BUCK IN FELTON TAX DECISION

The State Supreme Court Wednesday rendered a decision of very much importance in inheritance tax matters which will have a bearing upon the forty million dollar estate of Henry Miller, deceased, and other big estates in California.

The court gave a decision in the case of Charles N. Felton, formerly United States Senator, practically upholding Judge Buck and the contention of State Controller Chambers and the report of inheritance tax appraiser, H. W. Schaberg.

On April 21, 1911, Charles N. Felton transferred to his son, Charles N. Felton Jr., 720 shares of the Felton Co., which was appraised at \$659,371.44, retaining a life interest in the income of said stock. Felton died on September 13, 1914. It was contended by the Felton attorneys that the estate was not subject to the inheritance tax in as much as the property had passed from his possession long prior to Mr. Felton's death.

The inheritance tax was fixed at \$35,352.82. The tax rate in force at the time of Felton's death was applied by the appraiser and same was sustained by Judge Buck in his decision. The higher tribunals have reversed this portion of the lower court's decision and holds that the tax rate in effect when the transfer was made in 1911 shall apply instead of that in effect at the date of death of Senator Felton, which occurred on September 13, 1914.

"This will cause a material reduction in the tax against the estate," E. S. Pillsbury was the attorney for the Felton estate and Robert Waring appeared on behalf of State Controller John S. Chambers.

W. A. Sullivan, assistant inheritance tax attorney, said yesterday the Supreme Court decision in the Charles N. Felton estate case assured the State of victory in its fight to collect the tax from the estate of Henry Miller.

CHAIRMAN NASH APPOINTS WAR SAVINGS COMMITTEE

County Clerk Jos. H. Nash has been appointed chairman of the committee in this city to further the sale of war saving and thrift stamps. The appointment was made by John S. Drum of San Francisco, state director of the War Savings Committee. Nash has made arrangements to have John F. Neylan, former chairman of the State Board of Control, and now interested in the thrift work for the government, to visit Redwood and address a meeting of the committee. The date of the meeting will be announced later. The following have been asked to serve on the committee:

Geo. H. Buck, Council of Defense; Albert Mansfield, Bar Association; M. T. Kennedy, Home Guard; H. W. Schaberg, Building and Loan Association; S. P. McCrea, High School.

A. E. Monteth, Miss Irene Dickey, Miss Gertrude Cross Grammar school, Commerce.

D. R. Stafford, M. J. Knox, W. A. Maloney, W. P. Gray, Merchants. F. K. Towne, J. P. Weller, Banks. E. H. Sampson, Mayor of Redwood City.

J. V. Swift, Postmaster of Redwood City.

Henry Steinberger, Henry Beeger, Manufacturing Interests.

B. C. Zimmerman, Unions.

Rev. C. H. Stevens, Churches.

Mark E. Ryan, Firemen.

E. J. Arkush, D. E. O'Keefe, Jas. D. Hedge, Publicity.

Charles Helser, Douglas S. Watson, Liberty Council.

Mrs. Geo. A. Merrill, Mrs. F. H. Drake, Woman's Club.

Chas. G. Landsecht, F. & A. M.; H. W. Lampkin, N. S. G. W.; A. S. Ligouri, F. of A.; James Irving, Redmen; F. W. Glennan, W. O. W.; Mrs. John J. Read, N. D. G. W.; Mrs. A. Lincoln, Relief Corps; Mrs. Fred George, Fraternal Aid; Miss May Cook, Eastern Star; Miss Edna Christensen, Rebekahs; E. B. Fox, I. O. O. F.; Mrs. Gertrude Jones, Women of Woodcraft; Carl Mable, F. O. E.; Angelo Cellini, Owls; H. C. Wilder, Druids; Gordon Seely, Young Men.

The wedding took place out of doors at the beautiful Manoa Valley home of Dr. Robert Day Williams, President of the Mid-Pacific Institute. The beautiful gardens were lighted by the bright Hawaiian moonlight while a chorus of Hawaiian girls from Kawaiahae Seminary sang Hawaiian love songs for the wedding march. Madame Ellen Beach Yaw, the world famed opera singer, also sang several beautiful selections. Dr. J. H. Williams, of California and at one time pastor of the Palo Alto Congregational Church, was the officiating clergyman.

After a honeymoon spent at beautiful Waialua, Oahu, the happy young couple will reside at Schofield Barracks, the largest military post that Uncle Sam possesses.

Suit Dismissed

The civil suit of L. S. Bean and others against H. J. Ross and others has been dismissed in the superior court. The notice of dismissal was filed in the county clerk's office yesterday.

SUPT. CLOUD BUSY IN RED CROSS MEMBERSHIP DRIVE

Superintendent of Schools Roy W. Cloud, who has charge of the Membership Drive which will take place in this city as well as all over the United States from Dec. 17th to 24th, addressed the pupils of the high school and the grammar school on Wednesday and urged them to become Junior Members of the National Red Cross Association. As a result quite a number have joined and before the drive is completed most of the pupils of both schools will probably take memberships. Mr. Cloud, who was appointed by Secretary McAdoo as County Committeeman-at-Large in San Mateo county of the War Savings Campaign also talked on "Thrift in the Schools" and urged all of the boys and girls to buy Savings Certificates and Saving stamps, and not only help our government but start the habit of saving as well.

DEATH OF OLD AN PIONEER

RESIDENT AT MAYFIELD

Mrs. R. M. De Mess, who died a few days ago at Mayfield, was one of the oldest residents of that section of the county and was at one time the owner of nearly all the land in the vicinity of Alta Mesa, west of the town of Mayfield. She was born there 85 years ago, and was one of the reigning belles in her time. Her estate has dwindled down and at the time of her death she only owned a small acreage and a few houses in the Town of Mayfield, all of which is not worth more than \$10,000. During the week her son Joseph R. Mesa through his attorney Jas. T. O'Keefe, has applied to the Superior Court of Santa Clara county for letters of administration upon the estate.

CHARLES F. HANLON TO REPRESENT MRS. MOORE

Charles F. Hanlon has been substituted as an attorney for Mrs. Belle J. Moore in place of Martin Stevens in the matter of the estate of N. J. Brittan, deceased. Mrs. Moore is one of the heirs of the big estate, being one of the daughters of the deceased.

Interlocutory Decree Granted

Judge Buck on Tuesday granted an interlocutory decree of divorce to Mary Kazavan from her husband, Lazar Kazavan, on the grounds of desertion and failure to provide.

GEO. BETTIN GIVEN ARMY COMMISSION

**REDWOOD CITY BOY IS FIRST

RESERVE CORPS**

TAKES BRIDE AT HONOLULU

Marriage is Happy Culmination of Romance of Voyage Across the Pacific Ocean

Word has been received from Honolulu that George Bettin, formerly of this city has been commissioned a first lieutenant in the Officers' Reserve Infantry, the oldest regiment in the United States army, stationed at Schofield Barracks.

Lieutenant Bettin went to Honolulu to become a teacher in Mills school, a large endowed institution for Oriental boys and a part of the Mid-Pacific Institute. After the school year was over, Lieutenant Bettin accepted a responsible position with the Hawaiian Pineapple Company where he was employed until he entered the Reserve Officers' Training Camp at Schofield Barracks.

After three months training he won his shoulder straps.

The most interesting part of the news that we hear is that Lieutenant Bettin was married on November 28, to Miss Helen R. Kennard, a Southern California girl. Mrs. Bettin was a teacher in Kawaiahae Seminary, the girl's school of the Mid-Pacific Institute. The young people met on the boat when going to the islands and formed a strong friendship which later developed into a beautiful love affair.

The wedding took place out of doors at the beautiful Manoa Valley home of Dr. Robert Day Williams, President of the Mid-Pacific Institute. The beautiful gardens were lighted by the bright Hawaiian moonlight while a chorus of Hawaiian girls from Kawaiahae Seminary sang Hawaiian love songs for the wedding march. SEQUOIA HIGH CONTRIBUTES MANY MEN TO ARMY

Sequoia Union High School has contributed 39 young men to the cause of democracy who will bear arms in defense of the country. Many are graduates while others have attended the school for long periods. No other high school in the state can make such a showing. It is doubtful if any other institution with proportionate membership in the country can produce such a record. A big portion of this number have enlisted, many having joined the army at the outbreak of the war.

A scroll of honor hangs on the wall at the entrance of the school building and here are the names of the boys inscribed:

SEQUOIA HIGH DEBATORS TO MEET SAN MATEO SATURDAY

For twelve years Sequoia has been having contests with the San Mateo high school. In 1906-07 when we first played American football we easily overcame them. The same was true with the girls basketball in those days.

With the erection of their new building and their fine gymnasium, and the guidance of a live principal, they began to excel and easily defeated us in basketball. So far as the heavy team is concerned they have always beaten us, but not so with the 130-lb. team.

They took up Rugby before we did, and after three years effort on our part they found us their strongest antagonist when measured by keeping their own score down in this Sub-League. But they went on until they gained the State Championship, for which they deserve high honor.

During all this time, we have been ready to debate with them. Time and again we have challenged them and they have declined. On Saturday at 7 p. m. we have our first debate with them. Jessie Duggan and Dudley De Groot meet them here, and at 8 p. m. Blanche Ross and Robert Murray meet them at San Mateo. Come and support our teams and help us gain a victory.

The question is, "Resolved that: The United States Should Adopt a System of Compulsory Military Service based on the Australian System."

EXAMINER LAUDS LOCAL BUILDING AND LOAN

State Building and Loan Commissioner Geo. S. Walker of San Jose and assistant Mr. Stern of San Francisco have completed a most careful examination of the books and accounts of the San Mateo County Building and Loan Association of Redwood City. They report an excellent condition of affairs of the association.

Mr. Walker, be it remembered was the Progressive candidate for Congress from this district last year but will probably not be a candidate next year. He says, however, he will not support any candidate for Congress next year who is not openly committed to a policy of upholding President Wilson in his present war policy.

Mr. Walker is the most efficient Commissioner this State ever had. During his term of office very few Building and Loan Societies failed, and all are doing well under his control. Men of Mr. Walker's efficiency and ability should be kept in office.

Appraiser Files Report

H. C. Tuchen, inheritance tax appraiser of the estate of M. Bain, deceased, has filed his inventory and appraisal. The estate consist of a house and lot at Burlingame appraised at \$2,250.

Frank Bryant, manager of the Redwood City aviation school, left hurriedly for the east on Wednesday on business connection with the school. He will return in two weeks.

REDWOOD CITY HARBOR WORK IS TO BE TEMPORARILY POSTPONED

From telegraphic reports here on Tuesday it would appear that the Board of Army Engineers have reported adversely on the proposed improvement of Redwood City harbor. This does not mean, however, that the contemplated appropriation may be lost. The matter can be taken up at some other time, then too, there is very little prospect of the government making appropriations during war times.

The people of Redwood City want a channel twelve feet deep and 150 feet wide with a turning basin at the upper end of the creek near the municipal wharf, thence a channel six feet deep and sixty feet wide for 5000 feet to East Bradford street, in Redwood City. The district engineer believes it impracticable to provide a channel more than ten feet deep and 100 feet wide. He recommends that such a channel be provided up to the Frank Tanning Company land-

ing, to cost \$8,800, and a channel six feet deep and sixty feet wide from that point to East Bradford street, to cost \$9,000. Improvements above the tanning company landing should be maintained by local interests.

The board, however, reported that the proposed improvement is not advisable at this time because of the small amount of navigation.

B. C. Byrd, a prominent resident of Redwood City for some years, will become a benedict in San Francisco next Wednesday when he will be united in marriage to Caroline Rixford Johnson. After a short honeymoon spent in Los Angeles the young couple will sail, about January second, for China, where they will remain for an indefinite period. Mr. Byrd will engage in business in the Orient. The pretty and charming bride has spent some years there and speaks the language fluently. She is prominent in San Francisco society.

YOUNG MCCracken LEAVES TO JOIN MEDICAL CORPS

Charles McCracken has resigned his position in the First National Bank and on Thursday left for San Francisco to join a medical corps having enlisted the first part of the week. He is located at the Presidio where he will remain until ordered to the front. Mr. McCracken has been employed in the bank for a number of years and had risen to a prominent position in the institution. He is a steady young man, a good accountant and popular with all. He will be missed by his many associates. His place has been taken at the bank by Wesley Locker, who graduated from Sequoia Union high school last June and who has had some experience in clerical work.

H. C. TUCHSEN, APPRAISER

ABBY PARROTT ESTATE

Judge Buck on Thursday appointed H. C. Tuchen appraiser of the Estate of Abby M. Parrott, deceased. The estate is probably worth \$3,000,000 and Mr. Tuchen has a big task to perform as the estate is made up of large realty holdings in every portion of the state. It will take months to make the appraisal and finish the work. It will probably be years before the affairs of the estate are wound up. Mr. Tuchen is equal to the task having much experience in such work and being an expert in land values.

Dr. R. C. Woodhams and wife left this week for New York; from which place they will proceed to East Africa, where the doctor will engage in medical missionary work.

JUSTICE T. J. LENNON ASPIRES TO SUPREME COURT BENCH

At the next general election two vacancies on the bench of the Supreme Court are to be filled. One of these is for the unexpired term caused by the resignation of Justice Henshaw, the other to fill the place of Justice W. G. Lorigan, whose term expires. While no definite announcement has been made, it is quite probable that Judge Lorigan will not be a candidate to succeed himself from the fact that for some time he has been in extremely delicate health.

Judge Thomas J. Lennon, at present Presiding Judge of the District Court of Appeal of the first district, has announced that he will be a candidate for the nomination as one of the Associate Justices of the Supreme Court at the August primaries. That he will be given the nomination to which he aspires there seems but little doubt, both because of his recognized ability and strong personal popularity.

Few men in the State are as well qualified for this important office as is Judge Lennon—certainly none better. A graduate of St. Mary's College, he is a man of great learning and a finished orator. A close student of the law, he is thoroughly versed in every intricacy of the profession which he has made a life study. Endowed with a discriminating and judicial temperament, his decisions have been regarded as masterpieces of legal acumen and justice by the legal profession as well as by litigants. In the best of physical condition and in the real prime of life, he is well qualified for the arduous work which will devolve upon the members of the Supreme Court.

Judge Lennon certainly deserves this promotion at the hands of the citizens of this State. In addition to his splendid qualifications, he is a native of California, having been born at Marysville, where he spent the years of his youth. As a native of the State and interested in preserving its grand traditions, he has always taken a lively interest in the Order of Native Sons of the Golden West, serving for a considerable time the Grand Parlor as one of its Grand Trustees. Justice Lennon certainly has the hearty endorsement of the Times-Gazette in his candidacy.

Congressman E. A. Hayes departed for Washington on Thursday. He is improved in health and is prepared to do much hard work during the session. Mr. Hayes is the leader of several important committees. He will be a candidate for re-election next year. His friends predict his return to congress with a larger vote than ever before.

STOCKHOLDERS' AND DIRECTORS' MEETING

The annual meeting of the stockholders and directors of The Gardiner Sanitarium will be held at the Sanitarium, Belmont, California, at 12 o'clock noon on Tuesday, the 15th day of January, 1918, to elect directors to serve for the ensuing year and for the transaction of such other business as may be brought before the meeting.

REPORT OF SESSION OF SUPERVISORS

(Continued from page 4)

guests), for sacramental purposes in churches and in drug stores for medicinal purposes.

Swart explained that the reason the Federal government had not taken action in the matter already and made arrests was on account of the few violations and also because of the congestion of business in the Federal Courts. At a conference held in San Francisco last week with Attorney Warren Only, the legal advisor of the Western Military department, district attorney said he had been asked to assume the prosecution for all violators in this county. This he had promised to do.

Swart thereupon presented and read an ordinance that would cover the situation, an ordinance, which he explained, was based on the Federal act, covering the prohibition of the use of intoxicating liquor within the five mile military zone.

In making the motion to adopt the ordinance, Supervisor Brown expressed regret in having to put out of business on such short notice, people who had always endeavored to abide by the law and against whom not a single complaint had ever been registered. "The government asks us to do this," said Brown, "in order to protect the morals of the men who are going to fight for us and there is nothing else for us to do. This is the day of sacrifice and all must sacrifice something."

District Attorney Swart told the board that all physicians in the county had been directed to report without delay all cases of venereal diseases coming under their observation, to the State Board of Health. The district attorney stated that the board of health had intimated to him that persons affected with disease of this kind would be placed in quarantine.

County Engineer J. V. Neuman submitted an estimate of the cost of constructing shoulders on Santa Cruz avenue in the Town of Menlo Park from the State highway to Holy Cross Cemetery, also the cost of constructing sidewalks on either side of the avenue. The estimate on the shoulder job was \$7,804.980, and for the sidewalks, \$4,072.

Supervisor MacBain, in whose district the above thoroughfare is situated, said he would agree to stand \$2,500 of the expense of the road work, provided the board paid the balance out of the general fund.

On motion of Francis, seconded by Hickey, it was ordered that Supervisor MacBain and County Engineer J. V. Neuman arrange for the construction of the shoulders, the sense of the board being that the construction of the sidewalks could not be entertained at this time.

The board adjourned at 12:20 to Wednesday afternoon at 1 o'clock to take further action with regard to the improvement of Santa Cruz avenue.

A WOMAN'S BACK

"The Advice of This Redwood City Woman is of Certain Value."

Many a woman's back has many aches and pains. Ofttimes 'tis the kidneys fault. That's why Doan's Kidney Pills are so effective.

Many Redwood women know this. Read what one has to say about it: Mrs. A. J. Twombly, 344 Fuller St. says: "When I overdo, my kidneys become weak. When I am sweeping or ironing, sharp pains catch me in the small of my back and nearly drive me wild. I get nervous and easily upset. I have dizzy spells and my feet swell badly. I get Doan's Kidney Pills from the Pioneer Drug Store and they always promptly relieve me, making me feel like a different person."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Twombly had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Forum, Baptist Church
The address on Russia by Dr. Landfield at the forum meeting, Baptist Auditorium, last Sunday, was one of the best among the many able addresses that have been delivered there during the past eight months. Only a brief outline of thought can be given here. Civilization, he said, is only a struggle for a struggle; a struggle between civilization and barbarism. Russia holds one-sixth the land surface of the world. Population between 170 and 180 millions. The reports we get of Russia from most writers are erroneous. Russia is a Slave branch of the Caucasian race—one of the best. Eighty-five per cent of her people can not read or write, yet they are intelligent, humane and spiritual. Fond of fellowship. Love music and art. They have a large amount of common sense and possess a spirit of democracy. For 300 years they saved Europe from Tartar invasion by sacrifice of themselves. In every engagement of the war on the western front, the Russians have had part by engaging the enemy on the eastern front. It was Russia that kept the Germans from taking Paris. The Russian soldiers are poorly armed. When fighting they had only one gun for three men. The Russian government was not an autocracy but a bureaucracy. Two centuries ago Peter the Great tried to make over Russia according to western systems. But he had poor material to use. The government became a machine and the machine ran the government, not the czar. This bureaucracy at the outbreak of the war was largely pro-German. It planned a war of defense, which would give the Germans time to take France, then England. But Nicholas changed this plan thus defeating Germany's purpose in the West.

Appointed on Supreme Bench
Curtis D. Wilbur of Los Angeles, a brother of Dr. Ray Lyman Wilbur, president of Stanford University, has been chosen by Governor Stephens for the state supreme court to fill the vacancy left by Judge Henshaw. He will take office on January 1st. The new justice has been a superior court judge in Los Angeles for several years and has been much interested in juvenile work. He has a son, Lyman Wilbur, who is now a freshman at Stanford.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Mrs. Henry Steinberger arrived in Boulder, Colorado, last Wednesday and will spend a month with her daughter, Mrs. John D. Cook.

If you have Watch trouble see watch doctor, George Peterson, 214 Main street, Sequoia Hotel Building, Redwood City.

Attorney Frank D. King of Reno is here for a few days with his family. Mr. King will return late next week to Reno to try some important cases. Mr. King expects to spend the holidays here.

The management of Hotel Sequoia will change on the first of the year when Mr. Albora, a widely known hotel keeper of San Francisco, will take charge. Mr. A. Fromm, the present manager will retire.

James Summerville, one of the oldest employees of the S. H. Frank Tanning Company, departs today for San Francisco to spend a short vacation and to do his Christmas shopping and to see Santa Claus. Mr. Summerville has for years spent the week before the holidays at San Francisco.

Free Piano Exchange, 111 Kearney St. San Francisco. Pianos bought, sold, exchanged. Player pianos traded for pianos. Fine standard action player piano, \$75 cash delivers it to your home. See Shottler, 313 Main St. Redwood City for particulars.

Dr. J. P. H. Dykes on Wednesday received a telegram from his brother, M. T. Dykes, a prominent stock raiser of Kansas, announcing his serious illness. Very little hope is held out for his recovery. Mr. Dykes has been prominent in politics of that state for some years.

The Mission high school basketball team was defeated by the local high school team at the gymnasium court on Wednesday evening by a score of 37 to 17. The same evening the Redwood City Athletic Club defeated a team from the Thirteenth Infantry of Camp Fremont by a score of 37 to 18.

Mrs. B. C. Rohr and her father arrived in Redwood City last Sunday from Chicago. Mrs. Rohr left for the east three months ago to be at the bedside of her mother who passed away a short time after her arrival in the Windy City. Her father, H. Mielke, will remain here permanently. He likes California and is pleased with the climate and scenery.

It will be a good investment for you to spend Sunday eve at the Congregational church. Chaplain Livingston of Camp Fremont will speak of his life and work in the army. The 13th Inf., U. S. A., orchestra will furnish the music.

M. E. Everett, a former Redwood City resident, passed away at San Mateo on Thursday. The deceased was a native of Kansas, aged 44 years. Everett was a cement finisher by occupation and for two years before going to San Mateo lived at Hotel Del Monte. His parents were raised at Del Mar, Colorado. Everett was well-known in this city.

The Sunday evening meeting at the Baptist church Redwood City next Sunday will be of special interest to those who enjoy travel through the great mountain regions of our country. By means of the stereopticon the audience will be carried over the wonderful mountains and through the deep canyons of Colorado. The lecture will be free, as all these Sunday evening popular meetings are and all are most cordially invited to be present. Meeting begins at 7:30.

Eric Thompson has written to friends in this city saying that he has been transferred to the Field Auditor's office and is doing clerical work which is quite interesting and which he likes very much. He says "we all expect to be at Camp Fremont or Linda Vista very soon." This confirms the rumor that has been going the rounds here for some days to the effect that a large number of the Camp Lewis contingent would be transferred to Camp Fremont.

Woodside Notes

County Horticultural commissioner Newton Peck was here on Wednesday to inspect the trees and shrubbery on the J. A. Folger estate.

Constable Martin Walsh has appointed J. S. Morehead a deputy in and for Woodside. He will also be a deputy for the third township.

All the saloons here and at Portola will close their places next week in order to comply with ordinance recently passed by the board of supervisors.

The season for red berries has arrived and never in many years has there been such an abundant crop as there is this year. The trees in and about the valley are loaded with berries. Every Sunday large branches are taken away by city motorists. In some instances trees are practically denuded.

Norman McKee, young son of Dr. and Mrs. McKee of Woodside, is doing well at Annapolis. He is a member of a class of 700 and stands second in nearly all his studies. This is a brilliant record for the young man. He is a studious worker and will make a career for himself at the institution.

A pleasant gathering was held last Sunday evening at the residence of Mr. and Mrs. F. E. Adams, North Fair Oaks, in honor of Mrs. Adams' nephew Floyd Gutches, a student at Stanford, who will leave shortly for San Diego to receive instructions in the aviation corps, U. S. A. Among those present were Sergeants James J. Gorman, Joseph G. Nolan, James J. Lusk and Chas. M. Shadoun, Corporals Daniel Murphy and Frank Thierhauf and Private Jones, all of Co. F 8th Inf. Camp Fremont, Private J. Keyes, Bakery Co. 340, Private F. C. Adams, Co. M 8th Inf., Mr. and Mrs. Geo. Fields, Mr. and Mrs. F. E. Adams, Mrs. Hattie Benton, Mr. Victor Dippie, Miss Alice Dippie, Miss Katherine Redmond, Miss Louise Nello, Miss Thelma Yetter and Miss Yolanda Yetter. The young people are planning on many gatherings at Fair Oaks this winter.

Mr. Thompson says it is quite cold in the north. It rains almost continually.

Joseph Princeville of Camp Fremont was here yesterday calling on friends. His brother, Philip Princeville, at one time in the confectionery business here, died at Modesto nearly a year ago.

Asa Hull who underwent a serious operation at the Peninsula hospital Palo Alto three weeks ago has practically recovered and will soon be able to greet his friends here.

Mayo Andreen of Woodside, a graduate of Sequoia high school was operated on at a San Francisco hospital this week. The operation was a very serious one but we are glad to report that the young man is making satisfactory progress.

The Wednesday Eve dances will continue through the winter months, in answer to numerous inquiries. These affairs are very successful so far in a social way and the young ladies are to be congratulated on having such an opportunity to entertain in such delightful surroundings. The management offers something extra in the line of music and enjoyment henceforth, so the usual good times can be expected.

Otto Offerman, who has been connected with a large grocery firm at San Francisco for the past eight years resigned his position on Monday and accepted a position with a San Francisco bank. Mr. Offerman is a man of fine qualities and will do well in his new position.

Metamora Tribe No. 24 held a big pow-wow in their hunting grounds last Monday night to which a number of invited palefaces journeyed. The Redmen are getting ready for a big adoption in the near future and is hanging out signs of inducement to the young men of this vicinity.

Russell Simmons and Louis Dobedetti, who left with the fifth contingent from this city for American Lake, were transferred on Tuesday to Camp Meade, Maryland. Two other San Mateo county young men also left with them. They are Douglas Carl Goulson of Pescadero and young Conda.

REPORT OF MEETING OF BOARD OF SUPERVISORS

The board of supervisors met in regular session Monday, December 10th at 10 a. m., there being present Dr. C. V. Thompson, presiding, T. L. Hickey, Wm. H. Brown, John MacBain and Jos. M. Francis.

Supervisor MacBain requested and was granted permission on motion of Francis, seconded by Hickey, to purchase ten signs for use on the various bridges along the Alpine road in his district, warning truck drivers that the county would not be responsible for loads weighing in excess of three tons hauled over the bridge.

Attorney A. H. Reddington appeared before the board and presented a certificate from John A. Hoey, clerk of the Town of Hillsborough, relative to the filing of a petition asking for the annexing of certain uninhabited territory to the Town of Hillsborough. A copy of the petition and the names of the petitioners were attached to the certificate.

District Attorney Swart appeared before the board and read a letter he had written on November 21 to F. G. Spencer of Burlingame in answer to the latter's protest of the supervisor's action in compromising the suit of C. Wheeler of Burlingame against County Surveyor J. V. Neuman for \$600. The latter explained to Wheeler wherein he had misunderstood the amount of money involved in the compromise of the suit, which was brought to secure damages for injuries received by Wheeler's daughter in an automobile collision between a machine driven by Neuman and one driven by Wheeler at Burlingame last summer.

The district attorney invited Spencer in the letter to come down to Redwood City and take the matter up with the grand jury, promising him every assistance in any investigation he might want to make. Swart stated that he had not had any reply from Spencer, so was under the impression that the latter was satisfied with the explanation that had been made him in the letter.

District Attorney Swart read a letter he had received from Major Benjamin F. Pope, provost marshal at Camp Fremont, in which the latter asked that the five mile zone be extended around the cantonment. The district attorney also read the order from the President, dated November 2, 1917, which makes it prohibitory to use intoxicating liquor of any kind within five miles of any military camp in the United States, except in private homes (and there only by members of the family and bona fide friends).

BOYD-PAYNE WEDDING IS ANNOUNCED FOR FEBRUARY

The announcement of the engagement of Miss Aileen Boyd, the pretty daughter of Mr. and Mrs. John Adam Boyd of San Carlos, and William Payne of San Francisco, has been made. The wedding is scheduled for February. The charming bride to be is a graduate of Miss Barker's school of Palo Alto and Miss Burke's school of San Francisco.

Miss Boyd is an intellectual young woman, possessing a charming manner and is a delightful conversationalist.

Mr. Payne is a prominent business man of the metropolis. He is worthy of the young woman who is soon to become his life partner.

HOME SEEKERS PREFER THIS LOCALITY, REPORTS IRVING CO.

The George H. Irving Company reports the sale of a bungalow on Elwood street near James, also four parcels in their acreage subdivision adjoining Redwood Highlands on the west.

The location of Camp Fremont at Menlo has resulted in a great many inquiries at their Menlo office, which generally gravitate to Redwood City. The representative at Menlo reports that Redwood City is very popular with the soldiers. They seem to prefer it to other points near by.

The Company also announces that Mr. Dave L. Walter has been succeeded as the Redwood City representative of the Company by Mr. George W. Klopp. Mr. Klopp has been associated with the Company for several years, and has been very successful in the sale of homes and homesites in and near Redwood City.

Final Decree of Divorce Granted. Judge Buck on Wednesday granted a final decree of divorce to Irene V. B. Putnam from her husband, Harry H. Putnam. The interlocutory decree was granted on December 11, 1916. At the time the custody of the minor child was awarded to the mother. She was also allowed alimony in the sum of forty dollars a month. She received the decree on her cross complaint.

Suit to Quiet Title. Jose Romero has brought an action in the superior court against R. F. Chilcott, as administrator of the estate of Francesca Romero, deceased, to quiet title to lot 3, block "H", Kent and Boyd tract, Redwood City.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mrs. Thomas Lee and her son, former residents of Menlo Park, but now residents of Monterey, are the guests of Mrs. William Hammerson. Mrs. Thomas Fitzgerald has departed for Martinez to spend a few weeks with her daughter, Mrs. Howard Crane.

P. Olsen and Mr. Stein have opened a coffee and spice house at Palo Alto. The concern is known as the Delta Coffee Company. They expect to do a big business. Fresh coffee is to be roasted daily.

Lieutenant James Leo Duff departed for Arizona on Tuesday. He was accompanied by one hundred other lieutenants who will be assigned to duty on arriving at the Arizona cantonment.

The United States Civil Service Commission has announced an examination for the County of San Mateo to be held at Redwood City on January 12, 1918, to fill the position of rural carrier at Menlo Park.

E. D. Burt, late of Stockton, has opened a cozy delicatessen store, lunch room and bakery in the Hammond building on Santa Cruz avenue. Mrs. Burt, who is an expert pastry cook, makes a specialty of home made cakes and pies. The doughnuts made there are the finest in the state. The Burt's are doing a big business as the soldier boys like home made pastry.

Major and Mrs. Philip Wales, who have been east for several weeks, returned a few days ago and have taken Mrs. Hopkins' apartments. Mr. and Mrs. William Parrott (Gertrude Hopkins) are at San Mateo for an indefinite time.

P. J. Maloney has leased a portion of his property on the highway near Duff and Doyle's to H. Selix of San Francisco for a rental of \$100 a month. Mr. Selix is to erect a building to contain four stores. Work on the structure will begin on Monday.

The Tuesday and Friday night dances in Duff and Doyle hall under the management of Harry B. Morey have become popular affairs and are largely attended. Mr. Morey has a knack of entertaining his patrons and making the evenings enjoyable.

Harry Walsh, the second eldest son of Constable Martin Walsh, went with the fifth San Mateo county contingent to Camp Lewis on Wednesday. Mr. Walsh has three sons in the service, two in the navy and one in the army. He expects other sons to join the colors shortly.

E. O'Brien, a prominent restaurateur of San Francisco, has leased the old Wells, Fargo and Company's office owned by James G. Mason, and will open at once a first class eating house. The restaurant is located close to the new theatre which will be opened about the first of January.

Captain Grant, grandson of Gen. U. S. Grant, left with the Fifteenth Cavalry last Monday for border duty. While here he made many friends. He possesses all the prowess and daring of his famous forbear. He may be depended upon to give a good account of himself in battle whether on the border or at the front.

Patrick O'Donnell and his brother Barney O'Donnell went to San Francisco Wednesday and enlisted in the American army. Both young men are aliens but are patriotic and desired to fight under the banner of Uncle Sam. The O'Donnells have been residents of Menlo Park for some time. They are held in high esteem.

Edward L. Eyre, Jr. has added his name to the already long list of the younger men of society who have offered their services to the government. He has entered the Navy and is at present in training at Yerba Buena. He is the son of Mr. and Mrs. Edward Lilburn Eyre, who have closed their Atherton home and are in town again for the winter.

Some time late Saturday night thieves broke into Roos Brothers store removing clothing and other articles valued at \$500. Among the valuables stolen were one dozen civilian suits, half dozen suits cases, one overcoat, dress shirts and neck wear. The value of the goods has been made good by an insurance company, who has its detectives at work on the case. Arrests may be made at any moment.

Through the persistent efforts of the local fire commissioners the Pacific Board of Fire Underwriters has reduced the insurance rate of Menlo Park five per cent. This concession was made on Wednesday at San Francisco. The board acknowledged the efficiency of the local department saying that it was one of the best equipped and most efficient departments in the state. It was partly on the showing made by the department that the reduction was granted. The Menlo Park fire commissioners are A. G. C. Hahn, Charles W. Marwedel and C. R. Walter.

Over two hundred men belonging to the hospital corps arrived at Camp Fremont yesterday. As the camp is now a recruiting station recruits are being sent here. Almost every train brings in a big contingent from various portions of the state. It is expected by Christmas over 20,000 will be at the cantonment. Rumor had it yesterday that 2500 drafted men would arrive from Camp Lewis today among whom would be many Menlo Park boys.

Dr. White Wolf Writes from Agnews

Editor of Times-Gazette, Redwood City, Cal.

No doubt you will be surprised and yet pleased to hear from me. Well this experience has added another chapter to the history of my life. As you are aware that I committed myself to the State hospital at Agnews of my own free will, and so far I am very thankful for my act. Now why did I come here? How often you will hear that same remark made by those who knew me. Now I will say that there were two reasons that prompted me to do so, the first reason is that I wanted to cure the craving appetite for that cursed Demon Whiskey; the second reason is that my Father though dead many years, still lives, as he had come to me two nights in succession and pleaded with me to do this very act. I could see him as plain as if he still lived on this earth, and if it so worried him while in his grave so as to cause him to appear to me in my sleeping hours, could I resist his pleadings and let it go unnoticed?

No, I followed his advice and I am glad that I did before coming here, I had heard many times how the poor misfortunate patients were abused by the doctors and attendants at the State hospital, and I will admit that I was a little bit nervous about coming, but since I have been here and watched carefully all movements possible I will have to say that those who tell any one that a patient is mis-

With kindest regards to all I am, Respectfully, DR. WHITE WOLF.

REPORT OF RED CROSS WORK DONE BY MENLO PARK BRANCH

Report of Red Cross work of the Menlo Park branch is as follows: Attendance Red Cross Cottage, 95; Gauze dressings made, 778; Slings, 15; Comfort robe, 1; Knitted articles, 7; Gauze used, 3 bolts.

School house work room. Gauze dressings made 674; Wash cloths, 8; Hospital garments, 6; Comfort bags, 48; Needle books, 4; Knitted articles, 36 pieces.

A handsome check from Mrs. E. Midgley has been received by the treasurer, Mr. Perry Eyre.

Knitted sets have been given to 14 of the Menlo Park boys in various camps. The work rooms at Mrs. Flood's residence in San Francisco, are always well attended. All work rooms are asked to speed up as much as possible. Advances from Paris say there is a great shortage of surgical dressings and hospital garments. Remember the Red Cross Cottage work rooms are open on Wednesday and Thursday afternoons from 1:30 room on Friday afternoon from 1:30 to 4:30. Can you not spare an hour to work for the Red Cross when you know how urgent the need is?

Samuel Hopkins left Friday for New York, and from there expects to sail at an early date for France, where he is to serve with the quartermaster's department. Mrs. Hopkins, meanwhile, will be at the Fairmont hotel.

Some Facts Regarding Gas Heating

Gas heating systems of today are very different to those of a few years ago.

Today they are beyond question the healthiest, most convenient and most truly economical of systems.

Objectionable features of former systems have been wholly eliminated in connection with gas fuel.

The Rector gas heating system is instantly started or stopped by merely pressing a button and is entirely automatic in action. Other systems require but the application of a match.

The cost of operation is very reasonable, in most cases less than that of systems using solid fuel.

There are other advantages too numerous to mention here which it is in your interest to know.
